These are the Committing Charges, or the charge for which the Youth is being held. This is not a complete list of charges that the Youth may be facing. Some Youths have more than one charge.

Comments

<p>First time admissions may have been initially detained, then their status changed to committed, and they were not released from the facility.</p>

Comments

<p>This is a count of parole hearings for Youths who have been committed for six months, not a count of all parole hearings. Unlike the census data in this report, this is a count for the entire month, not a count for a specific day.</p>
