Peter C. Hastings
Commissioner

Tuesday, July 11, 2014

Dear Governor Hassan,

Please accept this letter as an official notification of my resignation from the State of New Hampshire as the Commissioner and CIO of the Department of Information Technology on Friday, August 1st, 2014 at the end of business that day. As I have served the people of this state in several capacities for over 7 years, I have found this work challenging and rewarding. I have worked with many great people and served two Governors. It has been my distinct honor to have been so fortunate to serve under your administration. I believe that I leave the position in a better place than when I was entrusted with it.

Of recent, I have been presented with an opportunity that I will be pursuing. My departure from State service is with mixed emotion. The excitement of new endeavors and the departure from fine people that I have spent the last 7 years working with. I hope that our paths will cross again in the future.

As my departure will need to be coordinated, I will work with your administration to transition an interim Commissioner at your pleasure.

Sincerely,

A handwritten signature in cursive script that reads "Peter C. Hastings".

Peter C. Hastings
Commissioner
